Goals

Student with special skills in care for details and strong organisational abilities is looking for a volunteer experience in a dynamic and multinational environment.

Education

University

John Cabot University

09/2022 - Current

Roma Italia

Currently I study international relations with a focus on economics and legal studies at John Cabot University.

Year abroad

Cypress Ridge High School

09/2020 - 06/2021

Houston USA

Fluent learning of the English language during a year abroad at the Cypress Ridge High School.

High School

Istituto Tecnico Agrario Giuseppe Garibaldi

09/2017 - 06/2022

Roma Italia

Graduated from the Giuseppe Garibaldi Agricultural Technical Institute, which provided me with a solid cultural base and at the same time encouraged the development of practical skills.

Work

Marketing member

AIESEC

01/2025 - Current

As a member of the Marketing team at AIESEC, I help promote international volunteering opportunities to university students. I support the creation of digital content and contribute to outreach strategies aimed at increasing awareness and engagement with AIESEC's global programs.

Ride operator

Luneur

Worked as a ride operator in a family amusement park. My responsibilities included checking tickets, assisting guests, explaining safety procedures, and operating the attractions. This role strengthened my ability to work under pressure, communicate clearly with the public, and manage responsibilities in a fast-paced environment.

Upcoming Volunteer – AIESEC Global Volunteer Program

07/2025 - 09/2025

AIESEC

Confirmed participation in a volunteer project aligned with SDG 4 – Quality Education, organized through AIESEC. I will be supporting local educational initiatives by teaching children and contributing to activities aimed at promoting learning and personal development in under-resourced communities.

Volunteer position as Spectator Services

07/2023

Hankook Rome E-Prix (Formula E)

Provided assistance and information to event attendees, offering guidance on directions and addressing inquiries regarding various aspects of the event experience. Collaborated with team members to ensure seamless operations and enhance the overall satisfaction of spectators.

EF assistant for transfers and reception of Italian students

06/2023 - 08/2024

Rome Italy

EF ((Educational travel and cultural exchanges))

As an EF Assistant, I accompanied Italian students on their trips between Italian cities and the airports of Milan and Rome. By coordinating the pre-departure activities, collaborating with the accompanying leader and maintaining constant contact with colleagues, I contributed to resolving any challenges. This experience has strengthened my communication, organizational and team collaboration skills.
